

**PARE**  
CORPORATION

## Recent Promotion

**Jason (Jay) Gaudette** has been promoted to Senior CADD Technician. Jay has been a valued member of PARE's staff since 2004. Throughout the last 10 years, Jay has demonstrated an affinity for problem solving and learning, especially in regards to the ever-changing world of software and technology. He is an asset to all of PARE's divisions because of his help with the preparation of contract drawings for civil, geotechnical, dam and waterfront projects, as well as project graphics. Jay's promotion recognizes his commitment to his work and his desire to improve PARE's efficiency and output through his contributions to firm-wide Information Technology.

## New Hires

**Jesse Herman** recently joined PARE as an Engineer in the Civil Division. Jesse is a 2014 graduate of Geneva College in Beaver Falls, PA, where he received his B.S.E. in Environmental Engineering. Jesse is a member of the American Society of Civil Engineers and the Pennsylvania Society of Professional Engineers. Jesse was also Captain of the Geneva College Varsity Men's Soccer Team. Jesse came to PARE with well-rounded experience, including water and wastewater treatment facility design, environmental consultation, and project management.

**Sarah Pierce** recently joined PARE as an Environmental Scientist. Sarah graduated with a B.S. in Environmental Science from Westfield State University in 2014. Sarah was the recipient of the Outstanding Environmental Science Student Award. Sarah's undergraduate professional experience includes working alongside Conservation Commissions, Planning Boards, and Highway Departments. PARE is pleased to welcome Sarah to our growing Civil Division.
