

We're Moving Up!

Literally. Upstairs.

Growth is Good! We would like to thank all of our clients and teammates for the opportunities and projects that we've been involved with over the years. These opportunities have enabled us to grow and add additional engineers and scientists to our staff. But we developed a major problem:

Where do we put everyone?

In typical fashion we found an answer...

Pare is pleased to announce that we are moving upstairs to a much larger and much more functionally efficient office suite.

Our **street** address remains the same, but our **suite** address has changed!

Pare Corporation
10 Lincoln Road, Suite ~~103~~²¹⁰
Foxboro, MA 02035

The big move takes place Tuesday December 8, so please update our suite address in your database. Phone and fax numbers remain the same.

Once the dust has settled we will be sending a "Save the Date" invitation and we hope you will join us after the New Year for our open house celebration.

Have a Happy Holiday!
